The Future Greeting of Great Faith

-All Hail, Ahn-HAHN-ga!

-Underline...vaguely...

-Becoming one of those university sophisticates who no longer believes? Then what will you do for Great Faith Day?

-Sounds like the fuckin Republicans!

-Maybe a century back. Defunct long ago!

-Oh well! I'll praise Ahn-HAHN-ga down the gut and up the ass!

-I hope in language more decorous, thus reverential!

-Like a behaving, and clean, prophet!

-They'll beat you if you don't mean it!

-Who means anything? Whole Church doesn't!
Whole Society!

-Nonsense! Have a full and glorious sound when asked!

-Done! I'll inflate like a frog!
